

Raise, Engage, Refer Training

Develop confidence raising lifestyle issues and understanding of how HENRY can benefit families

This course is designed to boost referrals to local Healthy Families programmes. It is suitable for a wide range of practitioners such as health and early years practitioners, school nurses and community volunteer professionals

“ I finally feel like I know how to have this conversation with parents! It will make such a difference for them and their children. ”

Practitioners will:

- Develop skills and confidence to raise sensitive lifestyle issues with families
- Gain understanding of the local HENRY offer and the ways families could benefit
- Understand the local process for requesting support for families
- Understand why what happens in childhood is so vital for lifelong health and wellbeing
- Develop skills to build parental motivation to access HENRY support
