Get some
practical tips for
looking after your
child's first teeth
- because they
really matter

Having healthy teeth is important for young children's development and wellbeing. But did you know that decay in first teeth can affect their adult teeth?

This session will help you understand:

- Everything you need to know about toothbrushing
- How you can make toothbrushing fun
- When to start helping children brush their own teeth
- How what children eat and drink affects their teeth
